

***Extension & Youth Development Officer
(3 year position)***

**Would you like to develop your career and work for a progressive
beef cattle breed society?**

Angus Australia is looking for an outstanding person who has graduated within the past three years, to coordinate our Angus Youth program and assist with the research, development and delivery of innovative extension activities. This fulltime position is based in Armidale, NSW, and would involve occasional travel.

The position will be sponsored by the MLA Graduate Program which includes professional development courses with other graduates, training and mentoring. The appointment is initially for a 3 year period,

The following skills/knowledge are essential:

- Degree in Agriculture or equivalent tertiary qualifications
- Affinity for working with young people
- Ability to develop and conduct training sessions
- Working knowledge of the beef industry
- Ability to work as part of a team
- Current drivers licence

The following skills/knowledge are highly desirable:

- Experience in developing web based extension services.

The successful applicant will join a team of 14 staff and be required to work closely with the Extension & Youth Manager, Angus Youth Management Committee, Youth Ambassadors and State Committees.

For more information and a detailed position description / selection criteria, please visit www.angusaustralia.com.au or contact Emma Weatherly on 0428 811 362.

Applications close Friday 20th November 2009
