

The information on this page has been compiled from media reports and notifications from vendors and agents. Entries are listed according to sale dates from January to December. Bull sale statistics compiled by Angus Australia are based on information provided to us by members and may not necessarily be a complete record of all Angus bulls sold by auction. In addition, the many Angus bulls sold by private treaty are not included in these statistics. Although all members will be contacted after each sale, if this information is not supplied by members, Angus Australia may refer to media publications and social media to compile statistics.
