

Angus CONNECT

- A focus on the ASBP -

Angus Australia invites all Angus seedstock and commercial breeders to an online event covering some of the great work going on as part of the Angus Sire Benchmarking Program.

This not to be missed event will include presentations delivered by Angus Australia staff and a series of guest presenters. Topics will cover:

Angus Australia's
commitment to the
ASBP

The latest results
from Cohort 9

A breeder's
perspective on the
ASBP

Building the
reference

Assisted
reproduction

Do EBVs and
Selection Indexes
work?

Carcass
Value

Future
opportunities with
the ASBP

The event will be streamed from the
Angus Australia  YouTube channel at 7.00pm AEDT,
on Thursday the 18th of November 2021
