

# Ashfield Angus Sale

## THANKS TO...

### ★ MURDEDUKE ANGUS

Simon Falkiner: 0407 319 967 and  
Lachie Wilson: 0409 256 417

The cattle we sold of your breeding were good doing cattle with great feet, legs and beautiful quiet temperament. I'm sure our purchasers will value Murdeduke breeding as much as we do.

### ★ GARY SIVESIND

Gensis Embryo Transfer: 0418 932 015

Our Embryo transfer specialist.

A dam nice bloke to work with. Treats our cows like we treat them which we greatly appreciate. Can't recommended Gary too highly. Thanks Gary.

### ★ LAWSON ANGUS

Harry and Ruth: 0407 101145

I think we were blessed with using Lawsons Angus bloodlines over our donors which were represented in over 50% of our catalogued lots.

We have used Lawsons Angus genetics going back 20 years and greatly appreciate their dam good type and consistency.

### ★ MICHAEL GLASSER

0403 526 702

Thanks for your advice and assistance in preparing our sale with a nonsense approach.

Your ability to bring the whole host of well credentialed potential buyers to the table was the icing on the cake. A very special thank you Michael from Judy and John.

### ★ ANDREW MCINTYRE

0438 755 810

Clipping off the woolly winter coats allowing the cattle to present well for their video.

Great job, highly recommended.

### ★ STUDSTOCKSALES.COM

Struan: 0458 508 432 / Monika: 0410 754 721

Their mantra is "You can't sell a secret"

Their ability to plug into all the electronic/digital platforms put our catalogue everywhere to all perspective buyers. Absolutely great!

Our best bang for bucks.

### ★ BEN HOOPER

Clear Vision Imaging: 0428 682 804

An absolutely key factor in getting our cattle looked at by potential buyers. So much skill in working with cattle to truly allow the cattle to present themselves well in photos and videos. Great bloke to work with and we appreciate his totally professional nature.

### ★ GENEFLOW

Mark Barnett

This is a program which focuses on fast growing fertile cattle with superior carcass values.

Mark Barnett from Barnett Angus is a consultant to GeneFlow and originator of the Carcass Maker Cattle Program.
