The Angus Foundation provides a mechanism for members and other beef industry stakeholders to support youth development, education and research programs conducted by Angus Australia. These programs are designed to encourage and assist the involvement of young people in the Australian beef industry, to provide professional development opportunities for young beef breeders, and to assist in conducting research, development and education programs for the benefit of Angus breeders and the wider Australian beef industry.

The Foundation is governed by a Committee of the Angus Australia Board, with advice from the Angus Foundation Consultative Committee including members and other industry participants with an interest in assisting with the Foundation’s activities.

To date, the Angus Foundation has provided funds to support Angus Australia’s Scholarships, Awards and Bursaries program. In the future, where funds permit, it is proposed that the Foundation will expand its activities to support education and research projects.

All donors and sponsors of the Angus Foundation will be acknowledged in an annual Angus Foundation Newsletter, Angus Foundation Annual Report, and the Angus Australia website, under one of the following partner categories based on the value of their contributions over the previous 2-year period:

- **Sponsor Partner** ($1 - $249)
- **Bronze Partner** ($250 - $999)
- **Silver Partner** ($1,000 - $4,999)
- **Gold Partner** ($5,000 - $9,999)
- **Platinum Partner** ($10,000 - $19,999)
- **Emerald Partner** ($20,000 - $49,999)
- **Diamond Partner** ($50,000 +)

Silver and higher category partners will each receive a certificate of recognition for their contributions.

Gold and higher category partners will be provided a complimentary ticket to attend the Angus Foundation dinner (to be held in association with the Angus National Conference).

Platinum and higher category partners will have the option of having an article about their enterprise included in the Foundation Newsletter.

Emerald Partners and Diamond partners will receive complimentary advertising space on the home page of the Angus Australia website.

In order to continue its support for youth, education and research activities, the Angus Foundation requires ongoing funding. Angus Australia plans to conduct a variety of annual activities to raise funds for the Foundation. In addition, we would also appreciate direct financial support from members and other interested individuals or organisations.

For more information about the Angus Australia Foundation, current initiatives and how to provide support, visit our website [www.angusaustralia.com.au](http://www.angusaustralia.com.au) or contact the office on (02) 6773 4600.
