ANGUS FOUNDATION

YOUTH AG COUNCIL CONSULTATIVE COMMITTEE AWARD

Each year, the Angus Australia Foundation offers two awards to members of the Angus Youth Consultative Committee to give them the opportunity to participate in the exciting and engaging Youth Ag Council.

Hosted by the Future Farmers Network, the annual event includes workshops on advocacy, media and communications, a range of engaging speakers and plenty of networking. Attending the Youth Ag Council is a unique opportunity for our members to be a part of the future agricultural policy debate.

The Youth Ag Council is an open forum with the opportunity for participants to communicate their aspirations for policy change direct to the Federal Government. The Future Farmers Network will then continue to champion the actions from Youth Ag Council, keeping its community up to date on policy progress.
