# **SUPPLY CHAIN OFFICER**

**Reports to:** Commercial Supply Chain Manager

**Location:** Armidale NSW, with extensive travel as required.

**Role:** The Supply Chain Officer will assist the Angus Australia Commercial Supply Chain Manager with beef supply chain engagement and relationship building, along with the development of initiatives and market education strategies that bring value to Angus Australia members.

The Supply Chain Officer will experience the broader beef industry in administering Angus breed content verifications with beef processors in Australia and New Zealand, to add value to Angus branded beef products through the verification of products related to the Angus breed.

## **Duties and Responsibilities**

- Assist with the development of strategies that utilise and grow the Angus Australia commercial membership.
- Assist in the delivery of industry collaborative education events for members which focus on market specifications and management requirements to achieve maximum performance.
- Explore and assist with the develop of initiatives that improve communication of price signals of Angus and Angus cross cattle through the supply chain.
- Assisting with the implementation of initiatives that recognise and value the use of registered and recorded Angus bulls.
- Coordinate and conduct Angus breed content verifications for Angus branded beef products with beef processors.
- Generate and deliver reports on Angus breed content verifications to Angus Australia and beef processors.
- Strengthen relationships with key stakeholders in the beef supply chain.
- Represent Angus Australia and its members at required industry meetings and events.
- Assist with the develop of online education resources for Commercial Supply Chain programs.
- Sourcing and writing case-study articles on the commercial success of Angus and Angus cross cattle, for inclusion in Angus Australia publications (e.g. Angus Bulletin, Angus eNews, and website), media releases and extension programs.
- Develop a listing on the member's only area of the Angus Australia website of buyers looking to source Angus and Angus cross cattle, including feedlot and processor grids.
- Work closely with the Commercial Supply Chain Manager and as a team member with all other Angus Australia staff, Directors and members.

## **Demonstrated Skills**

- Ability to build effective business relationships
- Ability to work unsupervised
- Meat industry knowledge
- General knowledge of beef supply chains
