

Maximise your Herds Reproductive Potential

Upcoming Event

Tuesday, 27th March

ReproActive is a specialised program developed by Australia's leading vets, cattle specialists and rural business experts, with workshop sessions designed to help producers maximize a herd's reproductive potential.

Topics on the day, including both theory and practical, will include:

- Bull Health, Joining Periods, Critical Mating Weights, Condition Scoring
- Reproductive disease
- Biosecurity, animal welfare, LPA requirements, trace minerals and more!!

Presented by:

Anthony Dredge – Yea Veterinary Hospital

Supported by:

Andrew Hancock – Zoetis Animal Health
