29th April 2020

Dear Angus Breeders,

Due to the impact of the COVID-19 pandemic, Angus Australia has made the difficult decision to postpone the World Angus Forum, originally scheduled to be conducted in April 2021.

Angus Australia looks forward to announcing a rescheduled date for the World Angus Forum in the coming months once we have a better understanding of the ongoing impact of the pandemic on international travel.

Angus Australia is very appreciative of the hard work done by the World Angus Forum Organising Committee, and the ongoing support provided by various sponsors and members of the global Angus community in preparing for the Forum. We are committed and determined to reap the rewards from this effort by conducting a very memorable global event in the future when the impact of the pandemic has eased.

For further information regarding World Angus Forum please refer to the Angus Australia website www.angusaustralia.com.au or contact Dr Peter Parnell at ceo@angusaustralia.com.au.
