

2020 Registered Angus Female Sale Statistics

The information on this page has been compiled from media reports and notifications from vendors and agents. Entries are listed according to sale dates from January to December. Female sale statistics compiled by Angus Australia are based on information provided to us by members and may not necessarily be a complete record of all Angus females sold by auction. In addition, the many Angus females sold by private treaty are not included in these statistics. Although all members will be contacted after each sale, if this information is not supplied by members, Angus Australia may refer to media publications and social media to compile statistics.

Compiled from information available on the 16th December 2020
