

# 2021 TACE Analysis Dates

All submissions must be received by Angus Australia before 5pm on the submission deadline for guaranteed inclusion in the analysis.

With the increased complexity associated with conducting the structural soundness analysis jointly with the American and Canadian Angus Associations, structural scores need to be submitted to Angus Australia seven days prior to the submission deadline for other performance information.

## 2021 Submission Deadlines for TransTasman Angus Cattle Evaluation

Analysis	Submission Deadline		Results Available (Indicative)
