

The Angus Foundation

Thanks to the generosity of past and present Foundation sponsors, the Angus Foundations provides a mechanism for members and other beef industry stakeholders to support youth development, education and research program conducted by Angus Australia.

Through the Angus Youth scholarships, awards and bursaries program, a number of Angus Australia members are provided the opportunity to expand their knowledge and professional development within the Australian beef industry and to assist in conducting research, development and educational programs for the benefit of Angus breeders and the beef industry.

While the scholarships supported by the Foundation got off to a great start in 2020, with the announcement of the Trans Tasman Exchange winner in Billi Marshall and the second crop of Achmea Australia GenAngus participants; with Katie Fisher, Rebecca Rundell, Samuel Finlayson, Lachlan Woods, Hugh McKay, Ellenor Nixon, Brenton Sessions, Alkira Riley, Damien Thomson and Brodie Collins, announced, unfortunately COVID-19 brought proceedings for 2020 to a halt.

The program will back with a vengeance in 2021 and without the support of members and others who give generously to the program, the opportunities afforded to recipients would not be possible.
