

Brisbane Convention  
& Exhibition Centre

17-19 July, 2023

# Nature-Based Solutions 2023

Conference & Expo

This conference is the evolution of the highly successful National Carbon Farming Conference & Expo.

- + Ambitiously exploring more topics – **bigger, and more inspirational than ever**
- + Incorporates the Soil Carbon Industry Group (SCIG) **one-day Soil Carbon Summit**
- + 400 plus Australian and international attendees
- + Large exhibition space and many networking opportunities
- + In person and virtual event with livestream access to content and resources

We'll explore, discuss and showcase practical solutions such as:

- + Continuing to unlock the potential of the largest carbon sink under our control – the soil
- + Exploring the benefits of trees and forestry to 'recapitalise' our lands
- + And find the best ways to incorporate and reward the benefits of biodiversity these project areas can bring.

# Event at a glance

## Monday 17 July

⌚ 10 am–5 pm

### Soil Carbon Summit

Soil Carbon Industry Group's one-day summit has been incorporated into the Nature-Based Solutions Conference & Expo! **Proudly sponsored by Precision Pastures.**

The Australian opportunity for land-based delivery of soil sequestration through carbon markets is world-leading under the Emissions Reduction Fund. Soil carbon sequestration could deliver 35-90 million tonnes of CO<sub>2</sub> abatement per annum while improving agricultural productivity and increasing the resilience of landscapes, regions, and farming communities.

⌚ 5.30 pm–7.30 pm

### Welcome Event

Mingle with conference speakers, sponsors, exhibitors, and delegates. Enjoy delicious nibbles and wine whilst catching up with old friends and making new ones.

## Tuesday 18 July

⌚ 9 am–5 pm

### Day 2 — the evolution of carbon farming for carbon trade

Prepare to be inspired by the evolution of how farmers are being rewarded now in the carbon and biodiversity markets. Expert speakers, new methods, international markets. Has COP27 improved market access for farmers?

⌚ 5.00 pm–6.00 pm

### Happy Hour

Networking opportunity with delegates, speakers, and exhibitors. Enjoy a cheeky beverage before 'frocking up' for dinner!

⌚ 7 pm–late

**Southern Cross University proudly presents the**

### Nature-Based Solutions Conference Gala Dinner

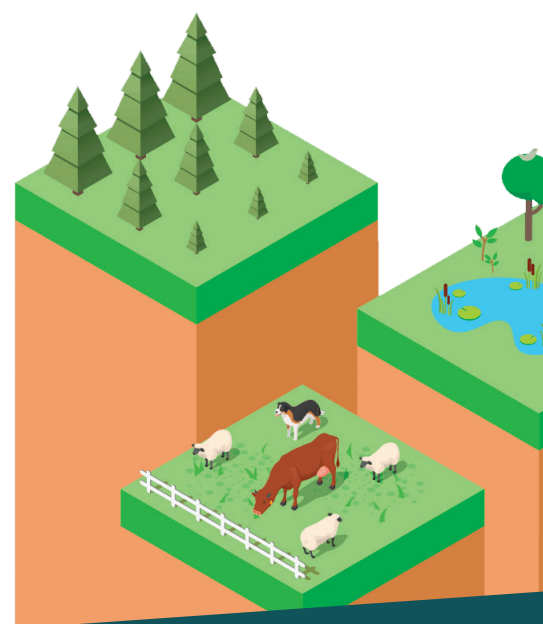

THE social event of the conference and expo ... great food and company! Featuring our fantastic guest speaker, Matthew Evans, a former chef and food critic turned Tasmanian smallholder. He fattens pigs, milks a cow, tends a garden, and writes about food from his office on Fat Pig Farm. He's the author of over a dozen books on food, including *SOIL: the incredible story of what keeps the Earth, and us, healthy.*

## Wednesday 19 July

⌚ 9 am–5 pm

### Day 3 — carbon farming, trading, and the carbon markets

On this day, we talk trading. But not just the ERF. And not even just CO<sub>2</sub>e. There are many opportunities opening up for groups and others who have a system for Measure/Monitor/Verification (MMV). Different methods. And let's not forget – demand. From where will the demand for your carbon credits arise?

# Choose your registration type

*Soil Carbon Summit and all conference sessions (3 days)*

## Conference PLUS +

Soil Carbon Summit — 1 day, Lunch included

Welcome Event

All conference sessions  
2 days, Morning tea, Lunch, Afternoon tea included

**Early Bird Rate:**  
Farmers \$770  
Non-farmers \$990

**Standard Rate:**  
Farmers \$990  
Non-farmers \$1210

*Welcome Function, all conference sessions (2 days)*

## Conference Standard

Welcome Event

All conference sessions  
2 days, Morning tea, Lunch, Afternoon tea included

**Early Bird Rate:**  
Farmers \$650  
Non-farmers \$870

**Standard Rate:**  
Farmers \$880  
Non-farmers \$1100

*Soil Carbon Summit or conference (1 day)*

## Single Day Registration

Soil Carbon Summit 1 day, Lunch included \$275

1 day of conference sessions Morning tea, Lunch, Afternoon tea included \$275

**Early Bird Rate:**  
Farmers \$400  
Non-farmers \$530

**Standard Rate:**  
Farmers \$500  
Non-farmers \$660

## Events and streaming

Conference Virtual Attendance  
All conference sessions (2 days)  
streamed live  
Early Bird Rate: \$330  
Standard Rate: \$440

**Welcome Event Ticket \$90**

**Gala Dinner Ticket \$155**
