Dear Friends and Breeders,

I would like to welcome you to the 30th Annual Londavra Bull Sale Catalogue. It is a pleasure to invite previous buyers and prospective buyers to view the bulls in the 2024 Sale.

This draft of bulls were born into water and mud and as baby calves, they did an exceptional job to survive the conditions. Their mothers were down in condition but as we came into the autumn, they gradually regained their normal condition and the calves weaning weights were normal.

Autumn 2023 was still fairly wet but gradually dried out to a very mild winter, and meant a winter without any supplementary feeding, which is most unusual for Londavra. We had nearly 1000 mls less rain in 2023 than in 2022. Spring started well but went dry late September/October until late October and then consistent rain fell until the end of December. Middle summer has been hot, windy and dry.

We have progeny on offer from three new sires; Texas Beast Mode Q725, and two Millah Murrah Paratrooper P15 sons, Circle 8 R553 and Circle 8 R567. These two are full brothers but quite different bulls.

The sons of these new bulls are middle of the road, thick soft easy doing bulls. There is another five sons of Circle 8 RearView Mirror. As we had three new sires which we used over the cows, we only AI'd Heifers to Chiltern Park Moe M6 and Landfall New Ground N90.

There are 40 bulls in this sale and we believe they are the most even and best line we have ever offered, with strong heads, good bone, length, depth and natural thickness.

Having cattle that weight gain efficiently is the way to maximise returns in the current market. Londavra bulls add weight and size.

Londavra's aim has always been to produce bulls that grow out remembering that weight pays. We again emphasise that **size and weight pay**. We believe the bulls offered in this catalogue will fit all beef enterprises

A draft of Londavra TFL Steers recently slaughtered by Swift averaged a dressed weight of 460 kg. Two of the steers achieved a dressed weight of 543kg and 516 kg.

We are again selling under the Auction system, but are not on Auction-Plus this year. Phone bidding will be available.

Regards

David Young
