

# ANGUS FOR EVERY SYSTEM

## FEEDLOT & CARCASE TRIAL

Proudly hosted by Teys Australia | Powered by OPTIWEIGH

### SPONSORSHIP PROSPECTUS

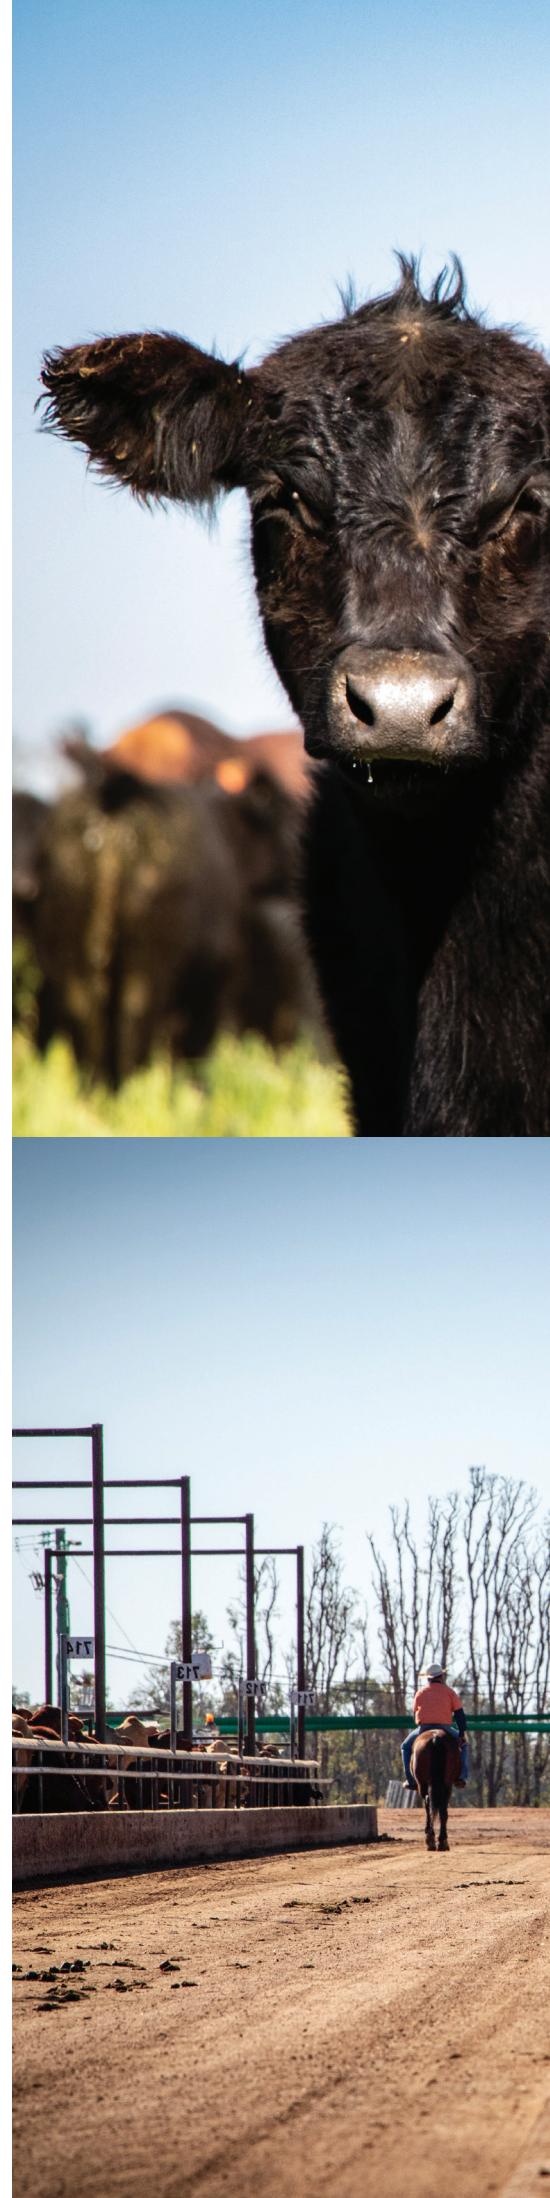

## About the Trial

The Angus for Every System Feedlot & Carcase Trial is a premier Australian beef industry initiative showcasing Angus cattle performance across diverse production systems.

### THE FEEDLOT AND CARCASE TRIAL DELIVERS:

- Real-time feedlot performance data via Optiweigh units
- Detailed carcase and MSA eating quality feedback
- Genomic insights through SteerSELECT
- Independent benchmarking across 50 percent, 75 percent and 100 percent Angus classes

The program culminates in a high-profile Angus for Every System Awards Dinner at BeefEx 2026, celebrating excellence in Angus genetics, feeding systems and carcase outcomes.

## Why Sponsor

Sponsorship of the Angus for Every System Trial provides meaningful alignment with:

- Genetic improvement and data-driven decision making
- Feed efficiency, eating quality and market performance
- Trusted, industry-led research and benchmarking

## Sponsors gain

- Direct exposure to progressive Angus producers and supply chain decision makers
- Strong brand association with performance, innovation and integrity
- High-impact recognition at BeefEx 2026 at future events

## Event Highlights & Reach
